

YOU ARE INVITED TO ATTEND OUR NEXT EDUCATION EVENT
TECHNOLOGY'S IMPACT ON HEALTHCARE,
TODAY & INTO THE FUTURE

TUESDAY, APRIL 30 AT 2:30PM

Join The GPAHU for an education seminar to learn how science and technology are being put into practical use to solve problems and invent useful tools to improve health outcomes. This presentation will expand upon the digital age we live in and the impact evolving technology has on healthcare management. This event is designed to be both informative and interactive. Bring your thoughts, ideas and questions as we explore:

- Wearables and their impact on the end consumer
- Machine Learning
- Artificial Intelligence
- And much more...

Win one of two Apple watches to be given away, courtesy of Aetna!

PRESENTED IN PARTNERSHIP WITH

PRESENTER

Ryan Koo

*Vice President,
Consumer Experience
Aetna*

Ryan Koo is the Vice President, Consumer Experience at Aetna. Ryan leads a national team focused on communicating Aetna's vision of a transformed member experience which simplifies interaction with the healthcare system and improves outcomes. He is an innovative leader with over 15 years of experience. In his previous role as a Sales Director, Ryan used his passion for leveraging new technologies and improving engagement with members to become a 6-time President's Club finalist.
